

Berkshire District Dental Society

Minutes of the General Membership Meeting
December 5, 2011 Cork N Hearth Restaurant, Lee, MA

Chairman's Report: Dr. Eric Holmgren

Dr. Holmgren welcomed everyone to this evenings meeting.

The BDDS web site has been launched at www.berkshiredental.org . The primary goal of this web site is to list the dental offices of all BDDS members thereby aiding residents of Berkshire County in finding a dentist. The web site will promote our All Day Continuing Education Meetings which is a primary source of our Societies Funding. The web site will also be a on line source for listing the dates of our Monday Night Meetings. The Minutes of our meetings will be contained in a username/password protected section. The user name is BDDS and the password is Holmgren. Both words are case specific. The password will change each year and correspond to the last name of the District Chair.
